*LCN will accept 76 transfer credit hours and only requires 3 prerequisites for most RNs (English II or Speech, a Fine Arts, and Statistics).

All Illinois Articulation Initiative (IAI) guidelines will be met for the major. Transcripts will be reviewed to ensure that students have met all IAI requirements.

**Theory will end before clinical/laboratory is completed.

If a student is unable to complete any of the above courses he/she would be able to enroll into one of the traditional track courses.
